

## TECHNICAL RIDER BIKE PARADE

# **DURATION:** 3 x 30 min or 1 x 1,5 h

# **NUMBER OF PEOPLE:** from 3 up to 19 persons (1 bike up to 8 bikes)

### ***MATERIAL PROVIDED BY THEATER TOL***

# **GENERAL FEATURES FOR SOUND:** The sound system can be done by the festival or by the Theater Tol (we have a sound system attached on the bike's)

# **GENERAL FEATURES FOR LIGHT:** If the Parade is in the evening we use the lights that are attached on the bike's.

### ***MATERIAL PROVIDED BY THE FESTIVAL***

# **CONDITIONS OF THE SPACE:** The Parade can be done during day or night and the most important is that the route is flat.

# **HELIUM:** we need Helium gas to fill in the balloons on the veils. We use 30 balloons each bike for the day.

# **DRESSING ROOM:** Material and build-up by the organizer.

A clean dry, warm/airco dressing room with enough light for make-up.

A space for 5 up to 19 people to change (number of people depends on the number of bike's that are planned)

1 big mirror (man-size)

Chairs (3 per person) & tables

racks with clothhangers (3 per person)

cold & warm beverages

1 point of electricity (220v) for loading the batteries

If necessary the dressing room can be installed in tent(s)
