

Mariage Fantastique

Musical grooms carry their floating luminous brides and dance with them. The grooms make their own wedding-music and invite the audience to join the wedding ceremony. It is a parade with dazzling images and sounds; a marching band with brass instruments and percussionists. The original, poetic language of Theater Tol comes to life once again, enchanting the audience with melodies reflecting various cultures and traditions.

- # It is an outdoor and mobile act on the ground, but can be brought inside as well.
- # The parade can be done during day and at night, in the dark the dresses light up
- # **Duration:** 3X 30 min.
- # **Number of people:** minimum 6 up to 11 persons (4 structures up to 9)
- # Possible to extend parade with extra characters
